

EUROPEAN UNION

PROJECT BRIEF

Strengthening the Associations of Local Governments and their Members for Enhanced Governance and Effective Development Outcomes in Pakistan

This project is funded by the European Union

PROJECT BRIEF

PROJECT TITLE

Strengthening the Associations of Local Governments and their Members for Enhanced Governance and Effective Development Outcomes in Pakistan

SPECIFIC OBJECTIVES:

1. To strengthen the institutional and operational capacity of the national and provincial Associations of Local Authorities to better support and represent their member local governments
2. To improve the capacity of local governments to effectively perform their role as actors in local development at the territorial level

OVERALL OBJECTIVE:

To strengthen the Associations of Local Authorities to support and enhance the contribution of local governments to governance and development in Pakistan

LOCATION

Pakistan

Khyber
Pakhtunkhwa

Punjab

Sindh

Balochistan

DURATION

36 months
(2017 - 2020)

PROJECT BRIEF

Final Beneficiaries:

Ultimately the project will benefit citizens across Pakistan who will expect improved access to local services and improved development outcomes

Expected Results (ER):

- ER 1.** Five national and provincial ALAs fully constituted and operational, with a clear vision, mandate and strategy in place and being implemented;
- ER 2.** Elected Local governments' leaders have increased understanding of their roles and responsibilities within local government system and the capacity to play a full role in territorial development;
- ER 3.** At least eight district councils across the four provinces successfully demonstrate the use of the TALD approach in their territories;
- ER 4.** Knowledge products setting out examples of good practice, including the role of elected leaders, available and disseminated extensively by all ALAs in locally accessible languages and formats;
- ER 5.** At least one provincial government positively recognizes the role of the ALA in provincial level dialogue and policy development;
- ER 6.** Effective management of the project, facilitating achievement of project results, good coordination between partners and other stakeholders and visibility of the project.
